

Celtic League AGM 2004 (16th October)

Resolutions Passed, Perranporth, Kernow

Alba

This AGM proposes that we liaise with the Unrepresented Nations of People Organisation (UNPO) with a view to membership of the Celtic League.

This AGM requests that the International Olympic Committee hereby recognises the legitimate right of the ancient Celtic nations (Alba/Scotland, Breizh/Brittany, Cymru/Wales, Éire/Ireland, Kernow/Cornwall, Mannin/Isle of Man) and in doing so proscribe the false, non nations of Britain and France from participation.

Breizh

This AGM calls on the French government for the reunification of a Brittany of 5 departments as it was before World War II without any opposition to connections with other Atlantic regions.

This AGM calls on the French Government to employ more Breton language teachers, because there is more and more demand.

Cymru

The AGM notes the decision of Cymuned to adopt the strategy of trying to win recognition of the Bro Cymraeg as an entity in order to preserve Welsh as a naturally spoken community language. The AGM endorses this direction.

Éire

This AGM calls on the new Minister of Education, Mary Hanifin TD, to reverse Department of Education and Science policies, which are curbing the expansion of Gaelscoileanna in the Republic. In particular we call for an end to the ridiculous policy of stating that demand for new schools must be accommodated in existing Gaelscoilanna when they are in fact full and have little room for recreation let alone any totally disruptive expansion. We also call for a change to the date requirement for application for new Gaelscoileanna from September to December.

This AGM calls on the Irish and British governments to ensure that the Good Friday Agreement in the north is maintained and implemented. The Assembly must be restored and cross border bodies fully implemented.

This AGM congratulates Stádas on its successful campaign to get the Irish government to ask for full EU working language status for Irish. We call on the EU Council of Ministers and the EU Commission to grant the request of the Irish government for full EU working language status for Irish and to expedite its implementation.

This AGM demands that the Irish government stop its collusion in the US in the Iraq war in its illegal granting of its use of Shannon airport for transfer of US military personnel and material. We call for the proper maintenance of Ireland's neutrality.

The Celtic League deplures what has happened in the recent past in the six counties in the North of Ireland in regard to collusion between Westminster State security forces and loyalist paramilitaries. This AGM calls for an immediate independent international inquiry into the London Government's collusion of murders committed there in the past.

Kernow

- 1.1 That the Church of England in Cornwall should be disestablished to create a new province of the Church of England – a Church of Cornwall.

- 1.3 That the Archbishop should make a statement of regret on behalf of the Church of England for all it has done since 1549 and continues to do to suppress Cornwall's national identity, political freedom, language and culture.
